Recognizing the loss of the following friends and supporters of the Westport Fair

Marlene Samson

Marlene was a long-time member of the Westport Fair as well as an active part of our community. During her many years as a Fair member, she was involved in preparing and serving food for our Chicken BBQ as well as volunteering in the admissions booth. She especially enjoyed watching and cheering on many of her family members and friends at their favorite fair events and competitions.

Richard (Rick) Costa

Rick was also a long-time member of the Westport Fair. He was an active participant working with the concessions and could always be found working alongside his son to serve our guests at the fair.

Raymond (Ray) Elias

Ray was not only a Westport Fair member but an active part of the Westport community. Ray was always lending a hand with the fairground preparations and part of our Monday clean-up crew. He also enjoyed watching family and friends at their favorite fair events and enjoyed our annual Chicken BBQ.
